ADDITIONAL SPECIAL SERVICES

Please inquire with the receptionist, at check in, about these services. Check box if requested.

- ☐ Bath (price varies, ask receptionist. *Includes Nail trim & Anal glands where appropriate*)
☐ Nail trim only (\$12.90)

We diligently try to prevent your pet from soiling itself while being boarded. However, dogs frequently do soil themselves while boarding. A bath on the morning of discharge is highly recommended.

We are unable to ensure a clean pet at discharge without doing a bath.

If your animal is being bathed, plan to pick up AFTER 3 pm unless we call you for an earlier pick up.

EMERGENCIES

- ☐ I consent for the veterinarian to do whatever is necessary should an emergency arise, until an authorized individual can be reached for further instructions, up to \$_____.

Pets are released during normal office hours Monday – Friday ONLY. Full payment is due upon release.

We recommend that you do not leave personal items with your pet (i.e., bedding, towels, etc.)

If you choose to leave personal items, COVH will not be responsible for the loss or damage of those items. Please try to label any items you bring in to help ensure your items are returned to you.
